She stated that the following bills had been paid: \$5.95 for year book for the encyclopedia set; \$78.22 for the storage cabinet for library, and \$12.00 for stamps. She will contact the City Clerk about additional money as we have not as yet received the full amount that was approved by the council.

No fines on overdue books will be collected during the month of January because of the bad weather.

The president will be contacted in regard to putting the storage cabinet together and contacting the Elk Run City Council about funds for the library.

1971 Annual Report - Evansdale Library Association

Many of our residents are very regular users of our Library. Through the year approximately 1542 people checked out 2000 books.

During the past year we concentrated on new books for our young people. About 180 new childrens books were added to our shelves. People continue to donate boxes of books all the time. 218 new and used adult books were shelved. Many of the new adult books were "how To" Books and Special Interest Books. Board members scheduled several work days during the year to do the processing.

We held a book sale in October. These were duplicate and damaged books from our shelves. We made \$165 which was deposited to the City Clerk. The books that were not sold were donated to The Lutheran Home, The Vet's Hospital in Iowa City and the Black Hawk Health Center. The director of the Health Center was most appreciative as it made possible a library room which they had been wanting for a long time.

Story Time is continuing under the direction of Mrs. Sidney Lederman. It is held every Saturday afternoon during the fall and winter months.

At the time of this report we have 375 adult and 756 children Library Card Holders.

We deeply appreciate the fine work the ladies and young people of Evansdale and Elk Run Heights have done. Their faithful volunteer work made it possible to provide area residents with reading and excellent reference material.

The Library Board wishes to express their thanks for all the past help and welcome any questions or comments you wish to make.
